- They get to socialise with different children
- Making friends, having a very good time
- Very nice children enjoying different activities specially on summer holiday trips they love it and for me is very convenient because I live opposite the club very close. all the staff who works there are very kind and friendly 😊
- Friendly safe environment for children to experience new activities and make new friends
- The facilities and activities provided gives the young children somewhere safe to interact and meet new friends
- She enjoys performing arts and meetings new friends

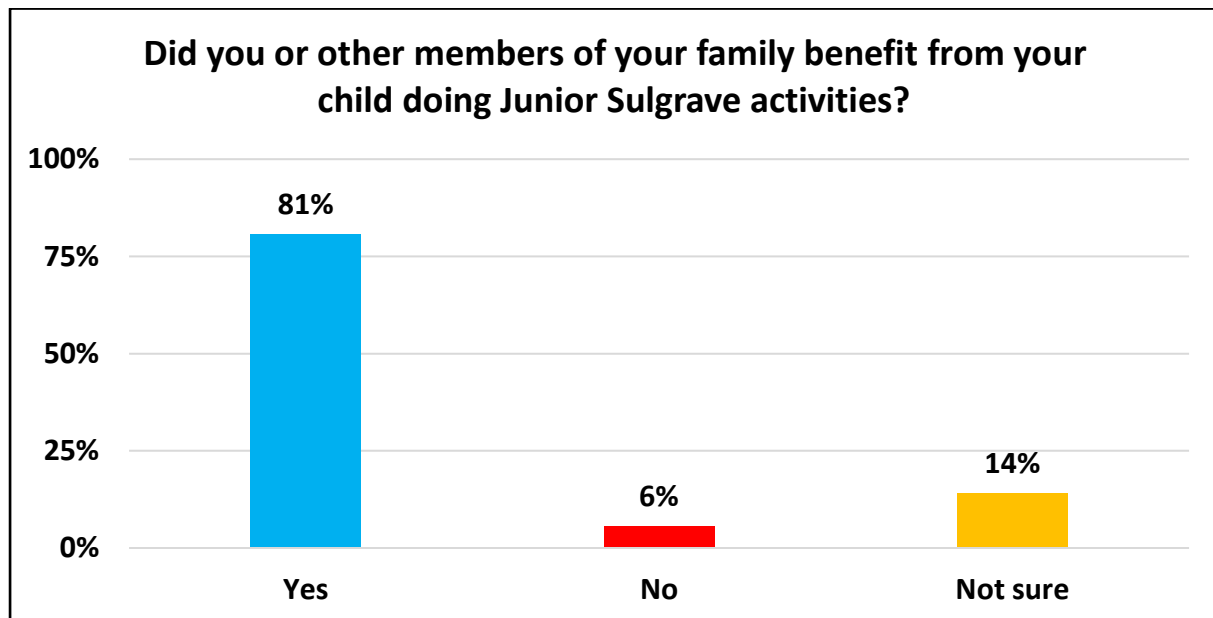

### ***Confidence & learning***

- It builds her confidence and also gives her the opportunity to meet new children.
- I have seen a great improvement in my child's behaviour and his confidence has improved.
- It gives the children a chance to learn new things and meet with old friends while making new ones!
- The children get to cook and make different foods which is really good for them and their development stages as they progress to get older.
- Learnt a new skill
- Social interaction, emotional support & educational development

- Sulgrave catered to the children knowing what they would have liked and enjoyed making it affordable for all parents. This meant that every child was included.

### **Is there anything we could have done differently or better?**

- Cannot think of anything.
- I don't think of anything because you are always looking out for the best interest of the kids...especially the manager, the best!!!
- In her opinion she likes Sulgrave as it is
- No (x10)
- No everything offered is great.
- No nothing
- Nope
- Not with covid restrictions still in place, no.
- Nothing I fully support the way children are kept safe and supported.
- No, I am happy with the services and activities provided for my child.
- You're doing the right things
- Sulgrave always exceeds our expectations!
- I wonder if there is a better way to organize the video games to avoid frustration amongst kids.
- More days
- More times
- Run it from 4.30 so kids have time to change at home and have a snack
- More structured activities in the intermediate group.
- More day trips but understand the limitations because of covid.

**If 'YES', in what way?**

- Because we get to relax
- Free time for parent. Keep children busy enjoying fun activities
- Gives me more time with the toddler. And the children feel happy and time spent well at the Club
- Happier child due to being excited to participate at Sulgrave
- Happy to see my kids happy
- Having two hyper kids and being a working mother, I couldn't be without the Club. My boys love it and it gives me a break. They have made friends and it's good for their confidence and social skills.
- He became more active, always happy, tells us about his activities, how he enjoyed it a lot, his friends, their interactions, their games. It helps us with teaching him through his interactions and behaviour towards others. Thank you so much to the manager and all the amazing staff!!
- I have a 1-year-old daughter and it's hard to keep them both entertained so my older daughter attending Sulgrave gives her her own personal space and then I can have time with the little one.
- I'm able to have some free time and have him entertained for free :) which is very much appreciated and so helpful to me
- It gave me time to spend 1 to 1 with my daughter which we don't usually get

- It helps them to join in with the community which incorporates social skills
- My daughter is the youngest of 4 girls 19/14/13 and 8. Sulgrave gives her a great opportunity to mix out of school with children her own age. She has become more confident. Sulgrave gives her many opportunities and great experiences that otherwise she would not have. She has become a confident learner and she can't wait to return in 2022.
- My child learned how to cycle on the roads safely and with confidence which enables me to engage more with her interests
- My children were able to take part in new activities and experiences I myself could not have allowed them to due to younger siblings. I know that my children are having a great time and are under the care of friendly and trustworthy staff. The manager always accommodates to families and the children know they can approach him with concerns.
- She loves it so I am happy
- They entertain my kids instead of me
- This gave me an opportunity to do some chores without having to bring my child with me.
- My daughter gets more to do after school and gives us parents a little more time to ourselves
- Yes, great in my son being happy makes me happy
- If she's happy then I'm happy.
- It has kept her occupied and happy, so I'm happy.
- A break!
